

[illegible]

A cross-section diagram of a landscape. The ground is represented by a grey area. A red line outlines the profile of the terrain, which is mostly flat but features two rectangular cutouts. On the left side, there are two trees. On the right side, there is a sloped area. Two vertical dashed lines mark the boundaries of the plan, with the text "LIMITE DEL PIANO ATTUATIVO" written vertically next to each.

This image shows a single sheet of white paper with horizontal blue or grey ruling lines. The lines are evenly spaced and run across the width of the page. There are approximately 20 lines visible. The paper has a slight shadow on its right side, suggesting it's resting on a surface.
